

It's BEACH BASH time!

Beach Bash is our annual spring event for all of our recreational gymnasts. It will be held on Sunday, May 22, 2022. Mark your calendar now! This mock Olympic competition highlights skills learned throughout the year by showcasing them in routines that the kids are currently learning in class. The meet offers an opportunity for gymnasts from Jelly Cats to Beamin' Lemurs to present their talents for family and friends. It comes complete with awards featuring a trophy ceremony for all at the end of competition.

The Beach Bash entry is \$50/child. Deadline for registration at the front desk is Friday, May 6th. We are unable to accept late entries as we need time to order the awards.

Admission for parents, family and friends is \$5/person. Children 4 years and under are free.

We are offering a special commemorative leotard for purchase this year. It is a colorful coral pink tropical themed leotard with SGA on the back in spanglez. The cost to order is \$55 and will be shipped to SGA in time for the Beach Bash. **Orders must be placed by Monday, May 2nd to ensure an on-time delivery.** The leotard is not a requirement to participate, only an option that lends to the fun.

Orders may be placed at the following link: <https://foxwear-llc.square.site>

FYI – Your child's session will only be around two hours long.

We look forward to another exciting Beach Bash where we will all celebrate the children for the amazing accomplishments!
